- (b) the proof of origin and the transport documents were issued no later than the day before the date of accession;
- (c) the proof of origin is submitted to the customs authorities within a period of four months from the date of accession.

Where goods were declared for importation in either Egypt or a new Member State, prior to the date of accession, under preferential agreements or autonomous arrangements applied between Egypt and that new Member State at that time, proof of origin issued retrospectively under those agreements or arrangements may also be accepted provided that it is submitted to the customs authorities within a period of four months from the date of accession.

**Article 7**

**Goods in transit**

1. The provisions of the Agreement may be applied to goods exported from either Egypt to one of the new Member States or from one of the new Member States to Egypt, which comply with the provisions of Protocol 4 and which on the date of accession are either en route or in temporary storage, in a customs warehouse or in a free zone in Egypt or in that new Member State.

2. Preferential treatment may be granted in such cases, subject to the submission to the customs authorities of the importing country, within four months of the date of accession, of proof of origin issued retrospectively by the customs authorities of the exporting country.
